SENATE COMMITTEE ON PUBLIC HEALTH, WELFARE & SAFETY

Minutes

February 2, 1973

The Public Health, Welfare and Safety Committee meeting was called to order by Chairman Elmer Flynn on February 2, 1973, at 10:00 a.m., in Room 415 of the State Capitol Building.

Roll Call found all members in attendance.

Chairman Flynn first called for discussion on Senate Bill 141 and Senator Vainio, as chief sponsor, first spoke on the bill. He explained it briefly, and quoted the following figures, stating that there has been only one increase in welfare since 1959:

	Received in 1967	Receives Now
One Adult	\$110.00	\$116.00
Two Adults	173.00	185.00
Two Adults, 2 Children	243.00	243.00
One Adult 2 Children	187.00	193.00

Senator Vainio introduced other proponents of the bill, and testimony was heard from the following: Steve Coldiron of Just Us, Inc.; Mary Tevebaugh, Missoula; Bonnie Reichart, Helena; Peggy Curry, Missoula; Hazel Roberts, Missoula; Annabelle Johnson of Butte; Josie Acebedo of Butte; also Harley Evanson of Great Falls. He introduced Betty Curran, Kathy Evanson, Nora Dyson, all of Great Falls.

Senator Vainio also introduced Steve McAskill of Lewis & Clark County Welfare Department; Feral Wagner, OutReach Worker from Wolf Point; Paul S. Capino, Missoula; Frieda Sandau, Missoula; John Higgins of Helena. R. Neil Sanders, Dept. of Social & Rehabilitations Service also spoke, using the Fiscal Note of SB141 as the basis for his information.

Chairman Flynn asked for other proponents of the bill and testifiers included also Margaret Selway and Pamela McBride, both of Missoula; there were no opponents present to testify against the bill. Chairman Flynn thanked those who appeared on behalf of the bill, and moved the discussion to SB408.

Senator McDonald, chief sponsor of this bill introduced James Pippard of the 4 C's who spoke on the bill. He said the bill is a result of a meeting held last summer attended by a group of legislators and physicians, and that this bill was the result of their experiences with child neglect cases. Vince Matule, Dept of S.R.S. explained the bill and said he thought this law would better protect the children. Proponents also stated the new law would make reporting of child neglect cases easier. Frank R. Sennett, Dept of S.R.S. also spoke as a proponent of the bill, as did Norma Cutone of S.R.S. It was brought out that the S.R.S. can handle this legislation without any additional staff.

Chairman Flynn asked for opponents of the bill and there were none present to testify.

Senator Bollinger then explained briefly SJR 34 saying he felt

that a study should be made in Montana to look into the health maintenance organizations, and this resolution would call for such a study. Another proponent of the SJR 34 was Paul S. Carpenter of the Missoula-Mineral Co. Human Resources, and Bill Ikerd of the Department of S.R.S.

Jerry Willis and Ken Rohyons of the Association for Retarded Children, addressed the committee on HJR11, explained it briefly and asked for the committee's support when the bill comes before the body.

Chairman Flynn then called for voting on the previously heard bills, and Senator Bollinger moved for a DO PASS on SJR34 with Senator Zody seconding the motion. Voting was unanimous.

Voting was then conducted on SB408 and Senator Bollinger moved a DO PASS On SB408, with Senator Story seconding the motion, all present voting "Aye".

Chairman Flynn than asked for a vote on SB141, and Senator Vainio moved the bill DO PASS, with Senator Bollinger seconding the motion. There were two "Nay" votes and they were Senators Story and Cochrane, it was so noted for the record. The other committee members present voted "Aye".

PUBLIC HEALTH, WELFARE AND SAFETY COMMITTEE PROCEEDINGS:

A meeting of the Public Health, Welfare and Safety Committee was held on Thursday, February 22, 1973 at 10:30 a.m. in Room 428A with Chairman Bob Lee presiding. All members were present except Reps. Fagg and McKittrick.

SENATE BILL # 349 -- SPONSOR: Sen. Harrison -- Senator Drake originally requested this bill. It is a change in the title of "chiroprapist" to "podiatrist". The only other change the bill contains is from the number two, to three, people, which is just a typographical change. The change is a professional name change. Questions followed.

SENATE BILL # 290 -- SPONSOR: Sen. Moore -- Sen. Story explained the bill. It is a companion bill to SB 349. The Board of Medical Doctors would rather be called the Board of Medical Examiners, and the "chiroprapists" would rather be called "podiatrists". That is all the bill does. Questions followed.

SENATE BILL # 408 -- SPONSOR: Sen. McDonald explained that the bill has to do with child abuse. The testimony was turned over to Jim Poppard, SRS--the present law simply does not do the job. He attended a child abuse seminar last summer--presented a letter from Dr. Welch. The bill does three things: (1) The complaint goes directly to the local child welfare unit at the county office. (2) of the four professions required to report, two new ones have been added--law enforcement personnel and Attorneys. (3) neighbors and friends would be included. (4) It would require SRS to maintain a central registry and inform any other counties if the family in question moved into them. Another proponent, Bill Minor, also of SRS, -- this bill would be an updating of what is actually already going on. Questions followed; Frank Sennett answered some -- he felt that a team concept between the Dept. and the county attorney could be worked out to satisfy everyone better.

SENATE BILL # 437 -- sponsor: Sen. McDonald called the bill a "controlling bureaucracy bill" It would require that a personal letter be sent out announcing that a district was being contemplated. OPPONENTS: Dean Zinnicker, Mont. Assoc. of County Commissioners -- the cost would be too much, and it would further hold up the establishing of a district. The present method is enough to inform the public. Terrence Carmady, Dept. of Health--agreed that the public should be well aware of the possibility of making a new district. A public meeting would be a better idea though, he felt. Questions followed.

SENATE BILL # 241 -- SPONSOR: Sen. McKeon was unable to appear. Jerry Loendorf, Mont. Medical Assoc., gave testimony in his place. The bill allows epileptics to apply for a drivers' license and receive it. The requirements have been changed.

the subject. He feels that an error was made when typing the bill and that is why the measurement has been designated in feet instead of meters. He presented a summary of laws in other states, and a chart showing noise relationships between snowmobiles and other devices. The present law, if enforced, would eliminate virtually any snowmobile from being operated in Montana. Ray Stubbs, teacher at Bozeman High School -- in concurrence with Mr. Smith's statements. Mr. Clinton Mogen, Big Sky Snow Riders, -- also feels there is a typographical error in the law. OPPOSITIONS: Larry Lloyd, Dept. of Health -- presented with his written statement a written statement from Mr. Robert Chaney. If enacted, this bill would destroy the attempts of snowmobile manufacturers to produce quieter machines. Patricia Antonick, Sierra Club-- the peacefulness and quiet of the mountains has been destroyed enough already. Sen. Story closed -- snowmobiles should not be outlawed in Montana and if this bill is not enacted, they will be, in essence. Questions followed. (Reps. Healy and Fagg were excused for other meetings) Sen. Story presented copies of a Fish and Game order concerning snowmobile noise.

SENATE BILL # 301 -- SPONSOR: Senator Mather -- this bill repeals the Thompson Act. It has been agreed to by the Mont. Medical Assoc. and the Mont. Hospital Assoc. Chad Smith, representing the Mont. Hosp. Assoc. -- the purpose of the bill is to allow hospitals to establish rules of competency relating to persons performing services in the hospital. A typographical amendment was offered by Jerry Loendorf, Mont. Medical Assoc. Dr. John McMahon, Mont. Medical Assoc. -- statement attached. Rod Gudgel, Mont. Nursing Home Assoc., arose in support of the bill. No opponents; questions followed.

The following action was taken:

HB # 202 -- Rep. McKittrick moved that it BE HELD OVER until next year. Discussion followed. Motion carried; Brown and Hall opposed.

SB # 408 -- Rep. Marbut gave the subcommittee report and then moved adoption of their proposed amendments. Motion carried unanimously. Marbut then moved that it BE CONCURRED IN AS AMENDED. Motion carried; Turner, Hall, Jones and Olson were opposed.

SJR # 34 -- Rep. McKittrick moved it BE CONCURRED IN. Discussion followed. Motion carried; Turner opposed.

SB # 209 -- Rep. Hall moved that it BE NOT CONCURRED IN. Motion carried; Jones, Olson, Brown and Turner opposed.

SB # 233 -- Rep. Hall moved it DO NOT BE CONCURRED IN. Discussion followed. Rep. Turner moved as a substitute motion that it DO BE CONCURRED IN. Rep. Hall moved as a substitute motion to all motions pending the bill be amended on page 3, line 19. Hall's substitute motion carried, Olson opposed. Rep. Holmes moved that

CHAPTER NO. 292

An Act Amending Sections 10-901, 10-902, and 10-903, R.C.M. 1947, Changing the Declaration of Policy in Regard to Reporting of Cases of Child Neglect or Abuse By Providing That the Reports Are Made to the Department of Social and Rehabilitation Services, Its Local Affiliate and the County Attorney; Expanding the Persons Required to Report; Changing the Definition By Including With Physical Abuse, Sexual and Psychological Abuse.

Be it enacted by the Legislative Assembly of the State of Montana: Section 1. Section 10-901, R.C.M. 1947, is amended to read as follows:

"10-901. **Declaration of policy.** It is the policy of this state to provide for the protection of children whose health and welfare are adversely affected and further threatened by the conduct of those responsible for their care and protection. It is intended that the mandatory reporting of such cases by professional people and other community members to the appropriate authority will cause the protective services of the state to seek to prevent further abuses, protect and enhance the welfare of these children, and preserve family life wherever possible."

This report shall contain the names and addresses of the child and his or her parents or other persons responsible for his or her care; to the extent known, the child's age, the nature and extent of the child's injuries, including any evidence of previous injuries, and any other information that the maker of the report believes might be helpful in establishing the cause of the injuries or showing the willful neglect and the identity of person or persons responsible therefor; and the facts which led the person reporting to believe that the child has suffered injury or injuries, or willful neglect, within the meaning of this act."

Section 3. Section 10-903, R.C.M. 1947, is amended to read as follows:

"10-903. **Action on reporting.** If from said report it shall appear that the child suffered such injury or injuries or willful neglect, the social worker shall conduct a thorough investigation into the home of the child involved and into the circumstances surrounding the injury of the child and into all other matters which, in the discretion of the social worker, shall be relevant and material to the investigation. If from the investigation it shall appear that the child suffered such injury or injuries or willful neglect, the department shall provide protective services to protect the child and preserve the family. The department will advise the county attorney of its investigation.

The investigating social worker shall also furnish a written report to the department of social and rehabilitation services who shall have the responsibility of maintaining a central registry on child abuse or willful neglect cases."
